STATEMENT OF WORK
MODIFICATION OF "F" RACK - EVENT MARKER

The Contractor proposes to provide the necessary engineering, labor, facilities, and material to perform the following work:

Item	Description
1	Design and develop the modification of the Event Marker Equipment ("F" Rack) Time Display as described in the accompanying Technical Proposal.
2	Fabricate, install, and test on all existing "F" Racks the Time Display modification described in the accompanying Technical Proposal. All existing racks will be returned to the Contractor's plant for modification.
3	Incorporate into the design of all "F" Racks not yet manufactured, the Time Display modification described in the accompanying Technical Proposal.
4	Provide a revision to the "F" Rack Instruction Manual describing the modified Time Display.

This document contains information affecting the national defense of the United States within the meaning of the Espionage Laws, Title 18 U.S.C., Sections 793 and 794. Its transmission or the revelation of its contents in any manner to an unauthorized person is prohibited by law.
